

## **Announcement of Faculty Vacancy in Mathematics Education**

The Department of Curriculum and Teaching at Boston University is seeking a qualified candidate for a faculty position in the Mathematics Education program. This is a tenure-track Assistant Professor position to begin in Fall 2012. The position entails teaching undergraduate and graduate-level courses in mathematics education, specifically courses in high school mathematics methods and the teaching and learning of geometry. Salary is competitive and commensurate with experience.

### **Description of Duties**

- Develop and teach both undergraduate and graduate courses in mathematics education (PreK-12).
- Conduct a program of scholarly research and publication appropriate for mathematics education.
- Seek external funding for research activities.
- Provide professional academic advising to students, including those seeking licensure for teaching.
- Supervise the research of master's and doctoral students.
- Build positive relations with local schools, other departments at Boston University, the Massachusetts Department of Education, and professional organizations.

### **Minimum Qualifications**

- Doctorate in Mathematics Education; BA or equivalent in mathematics
- Experience teaching mathematics at the middle school or high school levels

### **To Apply**

For inquiries, please contact the Chair of the Search Committee:

Dr. Suzanne Chapin  
[schapin@bu.edu](mailto:schapin@bu.edu)

Submit a letter of application, professional resume, undergraduate and graduate school transcripts, sample of scholarship and three letters of recommendation electronically to:

Jane Ko  
Curriculum & Teaching Department  
Boston University School of Education  
Two Silber Way  
Boston, MA 02215  
617-353-3238 (telephone)  
[sedctdpt@bu.edu](mailto:sedctdpt@bu.edu)

### **Deadline**

The review of applications will begin November 21, 2011 and continue until the position is filled.
