Job Summary/Basic Function:

The Department of Teacher Education in the College of Education and Human Services and the Department of Mathematics in the College of Science & Mathematics at Wright State University, Dayton, Ohio, are seeking a tenure-track Assistant Professor for Mathematics Education with appointment beginning August 15, 2012.

The successful applicant will teach mathematics education and mathematics courses, at the undergraduate and graduate levels. Responsibilities include excellence in teaching, advising, and mentoring undergraduate and graduate students in teacher education programs; engaging in collaborative service to the university, college, department, and the broader community, including building and supporting university-school partnership initiatives; and developing a record of published scholarship and funded research.

Minimum Qualifications

1. Doctorate degree (or anticipated by the start date) in mathematics education or closely related field.
2. Evidence of training and/or experience in educational research (qualitative and quantitative).
3. Minimum of three years successful teaching in pK-12 schools or related experience.
4. Masters Degree or advanced course-work in Mathematics.

Preferred Qualifications

1. Work in school partnerships.
2. Experience with diverse sets of students.
3. Expertise in the use of technology for teaching and learning.
4. Record of successful college teaching experience.

Essential Functions and percent of time:

60% Teach courses in Mathematics Education/Mathematics at the undergraduate & graduate levels and advising and mentoring undergraduate and graduate students in mathematics education programs.

20% Developing a record of published scholarship and funded research.

20% Engaging in collaborative service to the university, college, department, and the broader community, including working within partnership school settings.
