Foreword	v
<i>Jennifer M. Bay-Williams, University of Louisville</i>	
1. Cases in Mathematics Teacher Education	1
<i>Margaret S. Smith, University of Pittsburgh</i> <i>Susan N. Friel, University of North Carolina – Chapel Hill</i>	
2. What Would <i>You</i> Do Next if This Were <i>Your</i> Class? Using Cases to Engage Preservice Teachers in Their New Role	9
<i>Katherine A. Morris, Sonoma State University</i>	
3. Adapting Cases from a <i>Developing Mathematical Ideas</i> Seminar to Examine the Work of Teaching Closely	21
<i>Elham Kazemi, University of Washington</i> <i>Anita Lenges, The Evergreen State College</i> <i>Virginia Stimpson, University of Washington</i>	
4. <i>Developing Mathematical Ideas</i>: A Program for Teacher Learning	35
<i>Deborah Schifter, Educational Development Corporation</i> <i>Virginia Bastable, SummerMath for Teachers at Mt. Holyoke College</i>	
5. Getting to know Catherine and David: Using a Narrative Classroom Case to Promote Inquiry and Reflection on Mathematics, Teaching, and Learning	47
<i>Marjorie A. Henningsen, American University of Beirut</i>	
6. Building Bridges: Cases as Catalysts for the Integration of Mathematical and Pedagogical Knowledge	57
<i>Michael D. Steele, Michigan State University</i>	

7.	Developing Teachers’ Abilities to Facilitate Meaningful Classroom Discourse Through Cases: The Case of Accountable Talk	73
	<i>Amy F. Hillen</i> , Robert Morris University <i>Elizabeth K. Hughes</i> , Education Consultant	
8.	Using Narrative Cases in Mathematics Teacher Professional Development: Strategic Selection and Facilitation Issues	89
	<i>Edward A. Silver</i> , University of Michigan <i>Lawrence M. Clark</i> , University of Maryland – College Park <i>Dana L. Gosen</i> , University of Michigan; Oakland (MI) Intermediate School District <i>Valerie Mills</i> , Oakland (MI) Intermediate School District	
9.	Using Video Cases to Engage Prospective Secondary Mathematics Teachers in Lesson Analysis	103
	<i>Lew Romagnano</i> , The Metropolitan State College of Denver <i>Brooke Evans</i> , The Metropolitan State College of Denver <i>Don Gilmore</i> , The Metropolitan State College of Denver	
10.	Using a Video-Case Curriculum to Develop Preservice Teachers’ Knowledge and Skills	117
	<i>Laura R. Van Zoest</i> , Western Michigan University <i>Shari L. Stockero</i> , Michigan Technological University	
11.	Using Video Cases to Unpack the Mathematics in Students’ Thinking	133
	<i>Lynn T. Goldsmith</i> , Education Development Center, Inc. <i>Nanette Seago</i> , WestEd	
	Appendix Bibliography of Mathematics Cases	147
