

MONTCLAIR STATE UNIVERSITY

The Department of Mathematical Sciences invites applications for a tenure-track position in Mathematics Education at the Full, Associate or Assistant Professor level. Starting date is September 1, 2015.

Description: Applicants must have a strong commitment to research in mathematics education and to performing research that will allow for the generation of competitive grant proposals. Faculty filling this position will be expected to teach and mentor students in the growing Ed.D. program in Mathematics Education, the MS program in Mathematics with a concentration in Mathematics Education and the MA program in Teaching Middle Grades Mathematics. Additionally, the faculty member will work with preservice teachers in undergraduate and graduate programs for elementary, middle and high school teachers, and will support post-baccalaureate and graduate students seeking their initial certification to teach mathematics. Faculty are expected to teach a broad range of courses at the undergraduate level and a specialized set of courses at the graduate level and are expected to participate in departmental, university and professional activities. Salary is dependent on qualification and experience.

Qualifications: Successful candidates will hold a Doctorate in Mathematics Education with a background in Mathematics at the Masters level. All candidates should demonstrate evidence of scholarly publication, active research, and effective teaching. Preferred qualifications include successful teaching at the K-12 level.

Information: The Department of Mathematical Sciences at Montclair State University includes undergraduate programs in Mathematics, Mathematics Education, and Physics, and Master's programs in Mathematics, Mathematics Education, and Statistics, and an Ed.D. in Mathematics Education. There are thirty full-time faculty in the department. Montclair State University is the second largest public university in New Jersey and is located 15 miles west of New York City. For additional information go to <http://www.montclair.edu/csam/mathematical-sciences/>.

Application: Applicants should submit a resume, statement of professional goals, research interests, and teaching philosophy in **one** PDF file to searchmathsc@mail.montclair.edu. Three letters of recommendation should be sent to searchmathsc@mail.montclair.edu. Please identify as position V#F5.

Or send letter, resume, research and teaching statements to:

Dr. Helen Roberts, Department Chair
Montclair State University
Box C316-V#F5
Montclair, NJ 07043

Screening begins November 1, 2014 and continues until the position is filled.

Montclair State University is an Equal Opportunity/Affirmative Action Employer. Qualified women, minorities, and individuals with disabilities are encouraged to apply.
