

MATHEMATICS EDUCATION POSITION, TENURE TRACK

The Department of Mathematics and Statistics at James Madison University invites applications for a **tenure track position in mathematics education** starting August 2013. The successful applicant will join a growing number of mathematics educators in the department. Applicants must have a doctoral degree in mathematics education and a master's degree or equivalent in mathematics or statistics. Candidates with successful experience in the teaching of and a continuing interest in mathematics content courses for future teachers are especially encouraged to apply. Preference will be given to those whose experience and interests include content courses for PreK-8 prospective teachers. Candidates should also demonstrate potential in scholarship. Preference will be given to candidates whose research interest is related to PreK-12 mathematics education and allows for collaboration with current faculty in mathematics education.

James Madison University is a comprehensive, coeducational state university, located in the beautiful Shenandoah Valley of Virginia. Enrollment is approximately 19,000. Mathematics Education is one of four primary department subgroups, along with Pure Mathematics, Applied Mathematics, and Statistics. The mathematics education group includes active scholars in mathematics education as well as mathematicians interested in PreK-12 mathematics education. The department teaches mathematics majors with secondary education minors as well as PreK-8 prospective teachers in an interdisciplinary major. The department also offers an M.Ed in Mathematics for current secondary mathematics teachers. Teaching of mathematics methods courses may be arranged on request through exchanges with the JMU College of Education. For additional information, see the department homepage at <http://www.jmu.edu/mathstat/>

To apply: Online applications are received through mathjobs.org at <https://www.mathjobs.org/jobs/JMU>. Complete applications will include an AMS cover sheet, a cover letter addressing the nature of this position, curriculum vitae, teaching statement, research statement, transcript photocopies, and three letters of recommendation. Recommendation letters (or other materials) not possible to submit online may be sent by postal mail to Math Ed Search, Department of Mathematics and Statistics, MSC 1911, James Madison University, Harrisonburg, VA 22807. Applicants should also complete a short online form at joblink.jmu.edu/applicants/Central?quickFind=59245. Questions about the position or JMU can be directed to mathstat-search@jmu.edu.

Review of applications will begin November 1, 2012. To guarantee full consideration submit materials by that date.
