

Mathematics Education Tenure Track Position

Kutztown University of Pennsylvania enrolls approximately 10,000 students in graduate and undergraduate programs. The University is located in the borough of Kutztown in a charming rural setting, and is within 20 minutes driving time of the diverse metropolitan areas Allentown/Bethlehem and Reading, and within 60 minutes of the Philadelphia metropolitan area. The University is very interested in hiring employees who have had extensive experience with diverse populations.

The Department of Mathematics at Kutztown University invites applications for one tenure track position in Mathematics Education at the Assistant Professor or Instructor level starting in Fall 2013. Candidates must have the ability to teach undergraduate and graduate courses in both mathematics and mathematics education as well as the capability to teach and supervise pre-service teachings in mathematics. The position has a regular teaching load of 12 hours per week each semester. Candidates must have an earned doctorate in Mathematics Education with a Master's Degree in Mathematics or a Ph.D. in Mathematics with a record of involvement in Mathematics Education. We will also consider ABD candidates with completion of their doctorates within one year of hire. Preference will be given to candidates with experience teaching Mathematics at the K-12 level and supervising pre-service Mathematics teachers at the elementary, middle and secondary levels.

In addition to teaching at all levels and supporting initiatives to increase the number of teachers with mathematics credentials, duties include student advisement and committee service for the department, the College of Liberal Arts and Sciences, and the University. The successful candidate is expected to engage in research and scholarship with publications in peer-reviewed journals, and/or grant activity expected, as is participation in university service and university outreach programs. In addition, candidates must have the ability to integrate the use of technology into all courses.

As part of their application, candidates must submit: (a) a current curriculum vitae (including a list of presentations and publications); (b) a statement of teaching philosophy; (c) copies of

undergraduate and graduate transcripts (official transcripts need to be supplied at the time of the interview); and (d) at least three letters of recommendation, two of which address the candidate's teaching ability. Applicants should send their materials to: Dr. Francis Vasko, Chair of the Math-Education Tenure Track Search Committee, Mathematics Department, Kutztown University of Pennsylvania, 230A Lytle Hall, P.O. Box 730, Kutztown, PA 19530. Review of applications will begin immediately and will continue until the position is filled.

Kutztown University of Pennsylvania is an Affirmative Action/Equal Opportunity employer and actively solicits applications from women and minority candidates. Kutztown University of Pennsylvania is a member of the State System of Higher Education. All applicants for employment are subject to a criminal background check.
