

MONTCLAIR STATE UNIVERSITY

DEPARTMENT OF MATHEMATICAL SCIENCES

The Department of Mathematical Sciences invites applications for a tenure-track position in Mathematics Education at the Associate or Assistant Professor level. The department seeks candidates with particular research interests in any of the following areas as they relate to mathematics education at the K – 12 level: mathematics learning/teaching, leadership, curriculum, professional development, educational technology, and online learning. The person in this position will be expected to support existing departmental programs at the undergraduate and graduate level; teach and mentor students in the growing EdD in Mathematics Education, MS Mathematics with a concentration in Mathematics Education, post-baccalaureate Certificate and MA in Teaching Middle Grades mathematics; teach mathematics for students seeking certification in elementary education; possibly teach mathematics courses; and support undergraduate and graduate students seeking their initial certification to teach mathematics. Applicants must have a strong commitment to quality teaching in a broad range of courses at the undergraduate level and to a more specialized set of graduate courses.

A Doctorate in Mathematics Education with a background in Mathematics at the Masters level or a Doctorate in Mathematics with significant work experience in mathematics education is required. All candidates should provide a record of scholarly publication, research and teaching success. Candidates are expected to participate in departmental, university and professional activities and to perform research that will allow the generation of competitive grant proposals. Preferred qualifications include successful teaching at the K -12 level.

Starting date is September 1, 2013.

The Department of Mathematical Sciences at Montclair State University includes undergraduate programs in Mathematics, Mathematics Education, and Physics, and Master's programs in Mathematics, Mathematics Education, and Statistics and the Ed.D. in Mathematics Education. There are thirty-two full-time faculty in the department. Montclair State University is the second largest public university in New Jersey and is located 15 miles west of New York City in close proximity to major pharmaceutical, financial, and research centers. For additional information go to <http://www.montclair.edu/csam/mathematical-sciences/>.

Applicants should send a vita, a statement of professional goals, research interests and teaching philosophy in one PDF file to

searchmathsc@mail.montclair.edu or

Mathematics Education Search Committee (V # F20)
c/o Dr. Helen M. Roberts, Chair
Department of Mathematical Sciences
Montclair State University
Montclair, NJ 07043

Three letters of recommendation should be sent to searchmathsc@mail.montclair.edu or to Dr. Roberts.

Screening begins immediately and continues until the position is filled. Montclair State University is an Equal Opportunity/Affirmative Action Employer. Qualified women, minorities, and individuals with disabilities are encouraged to apply. Subject to available funding.
