

Position Announcement – School of Teacher Education and Leadership

Tenure Track Position: The School of Teacher Education and Leadership invites applications for a tenure-track Assistant Professor in Mathematics Education for AY 2013-14.

Description: Teach mathematics education courses to prepare teachers in K-12 General Education, Early Childhood/Early Childhood Special Education, and Special Education programs. Advise students in teacher education programs at both the undergraduate and graduate levels in mathematics education. Contribute to the assessment of and refinement of mathematics education courses and programs. Be productive in professional, scholarly, service, and collaborative activities.

Required Qualifications: An earned doctorate in mathematics education or related field; experience with elementary, middle and or high school mathematics education.

Preferred Qualifications: Demonstrated success in the following areas: teaching mathematics or mathematics education at the post-secondary level; using contemporary instructional technology including distance education technology; conducting research; and implementing professional development and outreach programs.

To Apply: Applicants must provide a letter of application, current vita, and names, addresses and phone numbers of three references to Dr. Kevin LoPresto via email (preferred) klopresto@radford.edu or via regular mail to School of Teacher Education and Leadership, Box 6959, Radford University, Radford, Virginia, 24142.

Application Deadline: Review of applications will begin October 15, 2012 and will continue until the position is filled.

General Information: Radford University is a co-educational, comprehensive, state-supported institution in scenic southwestern Virginia, 40 miles from Roanoke, with an enrollment of approximately 9,100 students. All new hires to Radford University will be subject to E-Verify beginning June 1, 2011. E-Verify is administered by the U. S. Department of Homeland Security, USCIS-Verification Division and the Social Security Administration and allows participating employers to electronically verify employment eligibility. Radford University is an EO/AA employer committed to diversity.
