

Virginia Tech Department of Mathematics Faculty Position in Mathematics Education

The College of Science at Virginia Tech, in support of the university's strategic plan, is expanding its research presence in: Energy and the Environment, Infectious Diseases, Nanoscience, Neuroscience, and Visualization & Pattern Recognition through interdisciplinary faculty hires across departments. (for further information, visit www.science.vt.edu under *faculty openings*). As part of this initiative, the Department of Mathematics anticipates a tenure-track opening in mathematics education, with a research emphasis on undergraduate learning, to start in Fall 2013 at our Blacksburg, VA Campus. Appointment at the assistant professor level is anticipated, but exceptional senior candidates will be considered.

Job requirements include a Ph.D. in mathematics or education, or a related field. The successful candidate will be expected to establish a distinguished research program and to provide effective instruction and advising to a diverse population of undergraduate and graduate students. Other responsibilities include: continuing development of professional capabilities and scholarly activities, including travel to professional conferences; curriculum development; participation in department, college, and university governance; and professional service.

An online application is required. To complete the online application, go to <http://www.hr.vt.edu/employment/>, choose Current Job Openings, then Search Postings, and choose the Mathematics Department or choose posting number 0122390. Please include a cover letter, a CV, a research statement, and a teaching statement as part of the online application. Four letters of recommendation should be mailed to Math Education Search, Department of Mathematics, Virginia Tech, Blacksburg, VA 24061. Additional information about position requirements and responsibilities can be found at <http://www.hr.vt.edu/employment/> or <https://www.math.vt.edu>. The faculty handbook (available at <http://www.provost.vt.edu>) gives a complete description of faculty responsibilities. As part of the hiring process, the successful applicant must pass a criminal background check. Questions about the search may be addressed to matedsearch_AT_math.vt.edu.

Applications received by November 30, 2012 will receive full consideration. Virginia Tech is an AA/EEO employer; applications from members of underrepresented groups are especially encouraged. Individuals with disabilities desiring accommodations in the application process should notify Ms. Debbie Williams (dbritts_AT_math.vt.edu, 540-231-6536) or call TTY 1-800-828-1120.
