

Hope College Department of Mathematics

POSITION: One tenure-track position in Mathematics education

CONTACT: Krista Deur, Employment Coordinator

100 East 8th Street, Suite 210, Holland, MI 49423

e-mail: deur@hope.edu

The Hope College Department of Mathematics invites applications for one tenure-track position in mathematics education to begin Fall 2012. Primary responsibilities include teaching (typically 5 courses per year) and research (including working with undergraduates). A PhD (or equivalent) is required. In addition, the candidate must have a Masters degree (or equivalent) in Mathematics. Experience teaching at the elementary or middle school level is strongly desired, and experience with outreach to in-service teachers is desired as well. Applications will be reviewed on December 15, 2011 and the search will continue until the position is filled.

Hope College is a Christian, coeducational, residential, liberal arts, undergraduate college affiliated with the Reformed Church in America; has over 3,000 students and approximately 250 FTE faculty; is a member of the Great Lakes Colleges Association; is accredited by NCA, NCATE, ACS, NASAD, NASD, NASM, NAST, CSWE, EAC of ABET, CCNE and CAATE; and is located in a city of 35,000 enriched by a significant Latino population and growing Asian and African American populations in a rapidly growing urban area of 100,000 near Lake Michigan, within short driving distance of Grand Rapids (over 500,000), and relatively close to Ann Arbor and Chicago. Additional information about Hope College can be found on the Web at <http://www.hope.edu/> and <http://www.hope.edu/admin/provost/openposition.htm>.

Candidates should demonstrate an ability to combine excellence in classroom teaching with scholarly activity, along with a commitment to the character and goals of a liberal arts college with a Christian perspective. Given the ecumenical character of Hope College, we encourage applicants from a broad range of Christian denominations and traditions. Please send a resume, unofficial transcript, a statement of teaching philosophy, and a brief research statement to

Krista Deur

and have three letters of recommendation (at least one addressing teaching ability) sent to either that email account or 100 East 8th Street, Suite 210, Holland, MI 49423. (If necessary, you may send your application materials to that postal address rather than the email account as well.) Depending on candidate interest, we may conduct interviews at professional meetings, but this is not a requirement for application. Questions about the position (but not application materials) may be sent to mathsearch@hope.edu

Hope College places a high priority on sustaining a supportive environment that recognizes the importance of having a diverse faculty and staff in order to best prepare our students for successful careers in our multi-cultural nation and global community. Applications from qualified persons with diverse backgrounds and cultures, including women and persons of color are, therefore, especially welcomed. Hope College complies with federal and state requirements for nondiscrimination in employment.
