

Position Announcement

Assistant/Associate Professors of Mathematics Education
Department of Mathematics
University of Northern Iowa

Applications are invited for **two** tenure-track positions in elementary or secondary mathematics education at the assistant/associate professor level starting August 2012. Appointment at the higher rank will be considered with appropriate qualifications. Candidates must possess a doctorate in mathematics education (ABDs will be considered with evidence of degree completion by August 2012), documentation of ability and interest in maintaining a superior teaching record, and an emerging or established record of scholarship. There are expectations for scholarship leading to publication, grant writing, curriculum development, and professional service. Preference is given to applicants who have a history of working with K-12 schools, teaching experience in K-12 classrooms, recent collegiate teaching experience, and experience in reform-based curricula. For a complete position description and application procedure, see www.math.uni.edu or call (319)273-2631. Pre-employment background checks are required. For full consideration, applications must be received by December 5, 2011. EOE/AA. The department encourages applications from persons of color, women, persons living with disabilities, and veterans. *UNI is a smoke-free campus.*
