

Mathematics Education – Open Rank Faculty

Position Description	The Department of Curriculum and Instruction invites applications for an open-rank, tenure-track faculty position in mathematics education with a focus at the middle and secondary education levels. The individual will teach mathematics education courses to undergraduate, post-baccalaureate, and graduate students in an urban, teacher education program; establish an active program of research and scholarship in mathematics education; provide departmental leadership and direct the middle and secondary mathematics education program; collaborate with program faculty, public school teachers, and community representatives; advise undergraduate and graduate students, including masters and doctoral level students in mathematics education; supervise field experiences for preservice teachers; and collaborate with faculty in the Department of Mathematical Sciences and the Center for Mathematics and Science Education Research on program development, research projects, and teacher development projects.
Qualifications	Minimum qualifications include an earned doctorate in mathematics education or closely related field by the start date of employment; three or more years of teaching experience; involvement in middle and secondary mathematics education; strong background in mathematics content; demonstrated capacity for academic program leadership and supervision of prospective teachers; and demonstrated potential for scholarly productivity and maintenance of an active research agenda in mathematics education. Preference will be given to candidates who have middle and secondary teaching experience in grades 6-12 mathematics; demonstrated ability to work in partnerships with schools; a research focus in mathematics education, with a record of publication commensurate with intended rank; participation in mathematics education professional organizations, including potential for leadership contributions; and commitment to innovation and collaboration in working with teachers in urban, public schools.
Salary	Negotiable and competitive.
Starting Date	August 20, 2012
Application Process	Applicants must apply online at http://jobs.uwm.edu/postings/8210 and submit electronically: (1) letter of application addressing qualifications for the position, (2) curriculum vitae, and (3) a list of three references. In addition, unofficial copies of all undergraduate and graduate transcripts, and two scholarly papers or publications are also required. These documents may be attached to the online application as "other documents" or sent to the Search Committee Chair (address following). Applicants also need to arrange for at least two letters of recommendation to be sent directly to: Dr. DeAnn Huinker, Search Committee Chair; Department of Curriculum and Instruction; University of Wisconsin-Milwaukee; Milwaukee, WI 53201-0413, or email to: huinker@uwm.edu . All finalists for this position will require a criminal background check and submission of official transcripts.
Application Review Begins	May 1, 2012
