

Tenure Track Assistant Professorship in Mathematics Education
Department of Mathematics
Widener University
Chester, PA 19013-5792

Applications are invited for a tenure-track assistant professorship in the Department of Mathematics starting August 2012. Candidates must possess a Doctorate in Mathematics Education or a Masters in Mathematics and a Doctorate in Education by August 2012. Experience teaching at the college/university level is required. Candidates must have good communication skills, demonstrable excellence in teaching, and evidence of professional development.

Responsibilities include: teaching 9 to 12 credits of mathematics per semester primarily for elementary and middle school education majors; advising mathematics secondary education majors; liaise with the Center for Education; and service to the university.

Applications must include a cover letter addressing the above requirements, a curriculum vita, a brief statement of teaching philosophy, graduate transcripts, and three letters of recommendation with at least one letter addressing the candidate's teaching effectiveness.

Review of applications will begin 1st March and continue until the position is filled.

Application materials should be submitted electronically to MathJobs.org.
