INTRODUCTION

The Association of Mathematics Teacher Educators (AMTE) is the largest organization in North America devoted to the improvement of mathematics teacher education. Over 1000 members strong, AMTE members include faculty members at universities, colleges, and community colleges, as well as others interested in mathematics teacher education.

AMTE welcomes sponsorship from interested supporters to help us accomplish our mission. Sponsors' financial support helps strengthen AMTE's value to its members and the communities they serve. This sponsorship brochure provides the necessary information for interested patrons, businesses, companies, organizations, and institutions that want to become active sponsors with AMTE.

MISSION STATEMENT

The mission of AMTE is to promote the improvement of mathematics teacher education, K-12.

GOALS OF AMTE:

- Effective mathematics teacher education programs and practices;
- Communication and collaboration among those involved in mathematics teacher education;
- Research and other scholarly endeavors related to mathematics teacher education;
- Professional growth of mathematics teacher educators;
- Effective policies and practices related to mathematics teacher education at all levels; and
- Equitable practices in mathematics teacher education, including increasing the diversity of mathematics teachers and teacher educators.

CONFERENCE SPONSORSHIP OPPORTUNITIES

The following is a list for sponsorship opportunities for AMTE's Annual Conference, which averages over 600 attendees. The list is not exhaustive but serves to provide suggestions of how potential partners might support AMTE activities. Sponsors may combine any of the opportunities listed on these two pages, or other contributions (suggested by the company and approved by the AMTE Board), to create a package to achieve a premium sponsorship level (Gold, Silver, or Bronze).

The Twenty-Sixth Annual Conference of the Association of Mathematics Teacher Educators will be held February 10-12, 2022, in Las Vegas, NV.
