

Assistant Professor of Mathematics (22-83)

Francis Marion University and the Department of Mathematics invite applications for an Assistant Professor of Mathematics position in statistics with the areas of mathematics and mathematics education (for which at least 18 hours in graduate courses in mathematics is required) also considered.

Department website address: <http://www.fmarion.edu/mathematics/>

Francis Marion (FM) is a state-supported regional comprehensive university with a strong emphasis on the liberal arts. FM continues to be recognized by The Chronicle of Higher Education as a "great college to work for". With approximately 4,000 undergraduate students, FM offers small class sizes that encourage strong professional relationships among faculty and students. FM is located in Florence, SC, a growing city with a vibrant arts culture. Florence is within easy driving distance of beach resorts, such as Myrtle Beach, and areas of historical interest, including Charleston and Savannah.

Candidates must demonstrate a commitment to excellence in teaching, university service and scholarship. Generous professional development and summer research stipends are available on a competitive basis for tenure and tenure-track faculty.

Requirements: Candidates must have a Ph.D. by date of employment. Substantial experience in teaching is preferred, and a strong commitment to excellence in teaching is required. Duties include teaching undergraduate courses with activities in scholarship and service expected.

Start Date: January 3, 2023

Required Application Materials:

1. Letter of Interest (referencing Position Number **22-83**);
2. Copies of all transcripts (*official* transcripts will be required of the successful candidate);
3. Curriculum vitae;
4. Statement of teaching philosophy
5. Three letters of reference
6. A list of three additional references including email, phone number and address; and
7. FMU Faculty Application.

To access the FMU Faculty Application, [please click here](#).

Please mail complete application packet to:

Dr. Thomas Fitzkee, c/o Mrs. A. Maria McCormick, by email at amccormick@fmarion.edu or mail at Department of Mathematics, Francis Marion University, P.O. Box 100547, Florence, SC 29502-0547.

Review of applications will begin September 26, 2022.

As Francis Marion University has continued to be recognized for its diverse student body, it especially welcomes applicants who can affirm and enhance its mission.

Applicants honorably discharged from a branch of the United States Armed Forces, who meet the minimum training and experience requirements, are given employment preference by all State agencies and higher education institutions in SC.

An Affirmative Action/Equal Opportunity Institution
