GEORGIA STATE UNIVERSITY
COLLEGE OF EDUCATION & HUMAN DEVELOPMENT

We're hiring · Tenure-track

# Assistant Professor of Mathematics Education

Department of Early Childhood and Elementary Education · Elementary mathematics, grades PreK–5 · Starts August 2027

Join a 33-member, interdisciplinary department at an urban R1 university in downtown Atlanta. You will build a research agenda in elementary mathematics education, teach in our undergraduate mathematics methods sequence and K–5 Mathematics Endorsement, and mentor graduate students.

## We're looking for

- A doctorate in mathematics education or a related field; ABD candidates finishing by August 1, 2027 are welcome
- Expertise in standards-based P–5 mathematics pedagogy and content
- At least three years of P–12 teaching experience
- A developing research agenda with potential for external funding
- Interest in STEAM/STEM and curricular integration
