

Department of Curriculum & Instruction

Position: Mathematics Education in Early Childhood/Elementary ECE/EL - Tenure Track

Rank: Assistant Professor

The Department of Curriculum & Instruction in the School of Education at the University of Alabama at Birmingham (UAB) seeks a faculty member with expertise in Mathematics Education at the ECE/elementary level for a full-time, 9-month, tenure track position.

Position Requirements:

The successful candidate will provide evidence of:

- A doctorate in Mathematics education or ECE/elementary education with an emphasis in mathematics or related field
- A publication record in mathematics field commensurate with a research intensive university
- Three or more years of successful public school teaching experience at the ECE/elementary level in the mathematics field
- Successful teaching experience at the college level
- Successful teaching experience with diverse populations
- Strong collaboration skills with university colleagues and public school districts
- Experience with on-line and other technology-assisted instruction

The duties and responsibilities of this position include:

- Teaching undergraduate and graduate Mathematics education related courses
- Participating in accreditation efforts
- Serving as a faculty mentor and/or advisor to students in undergraduate and graduate programs
- Engaging in appropriate scholarly activities, including research and publication in refereed journals
- Providing service at the department, school, university, local, state, and national levels
- Supervising field interns

Application will be made by submitting a complete and current Curriculum Vitae, a cover letter, at least three professional reference letters, and official transcripts from all colleges and universities attended. Please visit <http://uab.peopleadmin.com/postings/3483> to apply. Review of applicants will begin immediately ~~and continue for 30 days.~~
