

NOTICE OF VACANCY

**ASSISTANT PROFESSOR OF MATHEMATICS EDUCATION
DEPARTMENT OF TEACHING AND LEARNING
COLLEGE OF EDUCATION
Washington State University – Tri-Cities**

Title: Assistant Professor
Salary: Competitive, commensurate with experience
Position: Permanent full-time, tenure-track
Effective Date: August 16, 2017

Position: The Department of Teaching and Learning at WSU Tri-Cities in Richland, WA invites applications for a permanent full-time tenure-eligible faculty position at the assistant professor level for its expanding mathematics education program. We seek creative scholars with potential for securing externally supported funding, working in collaborative contexts, initiating scholarly activity, mentoring graduate students, teaching undergraduate mathematics content courses, and providing direction and support to the mathematics education mission across all four campuses of the university, and across the region and the nation. This position builds on our current momentum in mathematics education evidenced by significant and recent increases in externally supported projects, doctoral program development, and personnel. The College of Education seeks applicants with a demonstrated knowledge and ability to work effectively with individuals and groups with a variety of identities, cultures, backgrounds and ideologies in a global environment.

Duties and Responsibilities: Conduct scholarly research in mathematics education; secure external funding to support the research and professional development missions of WSU; teach graduate and undergraduate courses in mathematics education and undergraduate mathematics courses such as Pre-Calculus and College Algebra; participate in an interdisciplinary team committed to effective teacher education and doctoral student mentoring; develop and maintain collaborative partnerships with professionals in schools, university peers, and community agencies; and initiate and participate in mathematics education activity at the local, state, and national levels.

Required Qualifications: 1) Earned doctorate in mathematics education or a related field before date of hire; 2) demonstrated record of scholarship relative to mathematics education or a related field; and 3) practical knowledge of or demonstrated record in K-12 mathematics teaching.

Desired Qualifications:

- Demonstrated ability to conduct research on important and timely problems in mathematics education, including in collaborative contexts.
- Demonstrated ability or potential for securing extramural funding and procuring and managing external funds.
- Demonstrated ability to work with diverse populations or incorporate issues of diversity into research, teaching, or service.
- Demonstrated ability to teach mathematics education courses at the undergraduate and graduate levels, such as elementary mathematics methods.

- Demonstrated evidence of teaching mathematics in K-12 settings.
- Demonstrated ability to communicate effectively with students and colleagues.
- Demonstrated ability or potential to mentor graduate students.
- Demonstrated ability to teach mathematics content courses such as Pre-Calculus or College Algebra.
- Demonstrated ability to lead collaborative partnerships with K-12 schools, university peers, or community agencies.
- Demonstrated ability or willingness to teach through distance education.

Screening will begin on January 8, 2017 and continue until the position is filled. Applicants should apply online at www.wsujobs.com (Position Number 83698) and submit a letter of application addressing the qualifications, two samples of scholarly work, graduate transcripts, names and contact information for three references (finalists will be required to submit three letters of reference), and a current comprehensive vita. Three additional references should be made available upon request. For additional information regarding application, contact Helen Berry at hberry@tricity.wsu.edu. Questions regarding the position should be directed to David Slavitt, Search Committee Chair, at dslavitt@wsu.edu or 360-546-9653.

WASHINGTON STATE UNIVERSITY IS AN EQUAL OPPORTUNITY/AFFIRMATIVE ACTION EDUCATOR AND EMPLOYER. Members of ethnic minorities, women, special disabled veterans, veterans of the Vietnam-era, recently separated veterans, and other protected veterans, persons of disability and/or persons age 40 and over are encouraged to apply.
