# Mathematics Education

University of Manitoba

Position #28865

THE UNIVERSITY OF MANITOBA—The Department of Curriculum, Teaching & Learning, Faculty of Education, invites applications for a full-time, tenured or tenure-track position at the level of Assistant or Associate Professor in the area of Mathematics Education.

At the time of the appointment, applicants must have or be near the completion of an earned doctoral degree with a focus on Mathematics Education. Applicants must have expertise, demonstrated by both experience and scholarship in Mathematics Education. The applicant must have an active research agenda in the area of Mathematics Education with the ability to teach at the undergraduate (BEd, Post-Baccalaureate) and graduate levels (MEd and PhD), as well as to supervise graduate students. In addition to teaching, scholarship and Faculty/University service activities, the successful candidate will be expected to develop and sustain strong collaborative relationships at the local, national and international level, with educational organizations and other professional partners.

Preference will be given to candidates who:

- have experience teaching mathematics in K-12 school settings;
- can demonstrate that their research and teaching foregrounds one or more of the following areas: Equity and Mathematics Education, Indigenous perspectives and Mathematics Education, Technology in Mathematics Education; and
- can demonstrate their use of theoretical perspectives that are aligned with and will advance the Mathematics Education program of the Faculty of Education.

The Department of Curriculum, Teaching & Learning in the Faculty of Education currently has 23 full time equivalent (FTE) faculty members engaged in research, service, and teaching in the Bachelor of Education (BEd), Post-Baccalaureate Diploma in Education (PBDE), Master of Education (MEd) and Doctor of Philosophy (PhD) programs. The Department offers courses in the following graduate specialization areas: Language & Literacies Education; Second Language Education; and Studies in Curriculum, Teaching & Learning Education.

As the oldest university in Western Canada, the Univer-

sity of Manitoba is the largest and most comprehensive post-secondary educational institution which serves a plurality of students from across Manitoba, Canada and the world. The University of Manitoba is situated on Treaty One territory and the homeland of the Métis Nation and Winnipeg is home to the largest urban population of Indigenous peoples in Canada.

Salary and rank will be commensurate with experience and qualifications.

The start date for the position is July 1, 2020 or as soon thereafter as possible.

Interested candidates should submit a cover letter referencing Position #28865, a curriculum vitae, a summary (maximum 1000 words) of the theoretical perspectives that guide their teaching and research in Mathematics Education, and the names and contact information for three references by March 15, 2020 to Dr. Dawn Sutherland, c/o Mrs. Tamara Gillam, Office of the Dean, Rm. 225 Faculty of Education, University of Manitoba, Winnipeg, Manitoba, R3T 2N2; Telephone (204) 474-9170; Fax: (204) 474-7550, email: [Tamara.Gillam@umanitoba.ca](mailto:Tamara.Gillam@umanitoba.ca). Short-listed candidates will be asked to provide three letters of references.

The University of Manitoba is strongly committed to equity and diversity within its community and especially welcomes applications from women, racialized persons, Indigenous peoples, persons with disabilities, persons of all sexual orientations and genders, and others who may contribute to the further diversification of ideas.

All qualified candidates are encouraged to apply; however Canadian citizens and permanent residents will be given priority.

If you require accommodation supports during the recruitment process, please contact [UM.Accommodation@umanitoba.ca](mailto:UM.Accommodation@umanitoba.ca) or 204-474-8371. Please note this contact information is for accommodation reasons only.

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provision of The Freedom of Information and Protection of Privacy (Manitoba).

Please note that curriculum vitae may be provided to participating members of the search process.
