## **Stock Donations as AMTE Contributions**

*Information about the receipt of DTC Securities as Donations to AMTE Work*

It is now possible for interested donors to make a contribution towards AMTE work by donating stock securities. We have established an account to receive stock donations through Edwards Jones financial investment advisors.

Donors are encouraged to use the information on the second page of this PDF to provide their financial advisors with the information needed to make a donation to AMTE.

In summary, here are the important parts of that information:

- To make a donation of DTC Securities, you will need the following:
  - DTC # 0057
  - FBO: AMTE
  - Jones Account: 79222002-1-2

If you make a donation of stock toward the work of AMTE, please notify AMTE by contacting the Executive Director, Dr. Tim Hendrix, at [hendrix@meredith.edu](mailto:hendrix@meredith.edu) to indicate the project or activity to which you wish your donation to be directed: the STaR Fellows Program, the Elementary Mathematics Specialists Scholarships, the Susan Gay Graduate Student Conference Travel Scholarships, or the AMTE General Fund.

At the time of any stock donation, we will issue a letter of acknowledgement (and of our deep gratitude), indicating the average price of the stock on the day it was received. Our current policy is to liquidate any donated stock immediately upon receipt and transfer those funds to our AMTE general fund or special account funds, depending on the target of the donation. The letter may be used to substantiate your deductions for income tax purposes.

Again, we appreciate deeply the commitment of individuals and groups to support the work of the Association of Mathematics Teacher Educators (AMTE). We are pleased to offer this means of accepting your contributions to the fine work of AMTE, and are committed to utilizing such gifts to further important causes in mathematics teacher education.

A handwritten signature in black ink that reads "Timothy M. Hendrix". The signature is written in a cursive style.
